Description

Porches and built-ins are abundant in this historically inspired Nelson Design Group home plan making it a great choice for a large family. The unique blend of family essentials and an open floor plan will cater to not only a busy family schedule but large family-gatherings. The main-level master suite is conveniently located at the front of the home and includes a luxurious private bathroom and huge master closet. Just across the foyer and flanked by a column entry is a formal dining room with swinging door access to the kitchen, making it an entertaining breeze. Your family will love the large snack bar with seating and open view of the great room fireplace, perfect for holiday gatherings. The upper level has a central computer center and four large bedrooms, two bathrooms and a convenient laundry area.
