### Description

Note: 8-inch concrete wall construction and tile roofing. See NDG-190 for a similar standard wood-framed version.

Gather around the great room's cozy fireplace to ward off winter's chill in this roomy and efficient four bedroom home. Arched openings from the foyer escort you to the expansive great room and formal dining room. The culinary enthusiast will thrive in the walk-through kitchen's ample space while onlookers enjoy the convenience of the eat-at bar and nearby breakfast room. The second bedroom easily converts to a study with the aid of a built-in computer center and optional door to the foyer.
