Description

This stone and brick European home features a unique floor plan. Off of the foyer are 2 bedrooms and the Master Suite with its 10' boxed ceiling and bath featuring a whirlpool tub, glass shower and an enormous walk-in closet. The Great Room has a vaulted ceiling and a fireplace and access to an outdoor living/grilling porch. The dining room is joined by the great room and kitchen. And at the end of the house is a game room with access to a long 6' deep porch that stretches down the length of the house. This surrounds an area that would be perfect for a pool or a fenced-in back yard for the kids. The motor court features a 3-car garage and a porte cochere connected to a single garage.
