Description

You're sure to love this European style house plan with a split bedroom and open floor plan design. The foyer welcomes you to the center of the home, the great room. This room features a vaulted ceiling and a cozy fireplace as well as french doors that open to the grilling porch. The great room will make entertaining family and friends a pleasure. The kitchen offers an eat-at island bar, walk-in pantry, and an adjacent breakfast room. At the end of a long day you can retreat to the master suite. The master bathroom offers dual vanities, a corner glass shower, whirlpool tub, and a giant walk-in closet. 3 more bedrooms are located on the other side of the house, each with their own walk-in closet. Off of the spacious 2-car garage is a safe room while a bonus room is located over the garage.
