Description

This European Style House plan with open floor plan, spacious outdoor living and fabulous master suite. The Great Room features a fireplace and is open to the kitchen and dining room, perfect for entertaining guests. A bedroom located at the front could be for the guests or could be made into a convenient office. The master suite has a 10? boxed ceiling and access to the Grilling Porch. The upstairs are 2 more bedrooms, a full bath and a large bonus room over the garage with tons of possibilities. At the top of the stairs is a convenient office with a computer center. Through French doors is the game/media room with a fireplace and access to a rear covered porch.
