Description

This incredible 2 story European style home features an arched enclosed covered entry. The grand foyer is open to the theater balcony above and to a plant ledge above at the front windows. The great room has a fireplace and a convenient pass-thru to the kitchen, perfect for opening up conversation. The kitchen features a prep island with an ice maker and an eat-at bar. You'll enjoy relaxing out back on the outdoor living/grilling porch with its large corner stone fireplace. Or relax in your master suite with an 11' boxed ceiling and private access to the grilling porch. While the master bathroom offers a large corner whirlpool tub that's set beneath 2 windows, a large glass shower with a seat, double vanities and a huge walk-in closet. Your guests will enjoy their room with a large walk-in closet and a full bathroom. Upstairs there are 3 more bedrooms, each with walk-in closets. Bedroom 2 has a full bathroom nearby and the 3rd and 4th bedrooms share a full bathroom. A bonus room is located over the garage and a corner computer center is just outside in the hallway.
