Description

This stone and stucco home is part of our European Collection. It is filled with charm inside and out. Off of the foyer through the French doors is the study with a built-in computer center. The dining room features columns and a bay window. With a fireplace in both the living room and great room, this home will provide plenty of warmth for the family. The kitchen will be a popular gathering area with its wrap around peninsula bar, coffee bar, computer desk, and a breakfast room with window seating. The spacious master suite has 2 walk-in closets with the doors on a 45 degree angle. Enter through the double doors of the master bathroom and you'll be greeted with a whirlpool tub and glass shower. Upstairs is bedroom 2 and 3 each with their own large walk-in closets and full bathrooms. There's also a huge optional bonus room, a computer center, and another walk-in closet.
