You're sure to love the open floor plan throughout this rustic home. And that open space is the first thing you and your guests will notice once inside the foyer with its 10' ceiling. Adding to the spacious feeling, the Great Room is open to the balcony above and to the Breakfast Room and Kitchen. The Kitchen features a large angled eat-at island bar, perfect for quick meals or conversation while meals are being prepared. In a corner of the kitchen are bench seats with an optional table, conducive to family time. Take the cooking outdoors to the Grilling Patio that's off of the Kitchen. And if you want space, the Master suite awaits with its 10' boxed ceiling and charming bay window. Two large walk-in closets are next to the bathroom that features a whirlpool tub, a glass shower with a bench seat, and dual vanities.
