Description

This charming farm house is perfect for anyone looking for an open floor plan. The kitchen, dining room and great room all share one space where they can all enjoy the cozy fireplace and beautiful vaulted ceiling. The split bedroom design of the home allows the master suite to have privacy for the other bedrooms in the home while have a straight shot to both the laundry room and garage. Bedrooms 2 and 3 are both very spacious with plenty of room for the kids and large closets to house all their clothing even as they become teenagers. If outdoor living is important to your then this screened porch will be your haven. You'll have plenty of space for the whole family while being able to enjoy the beautiful weather minus the bugs!
