Description

If you love country design then you're sure to fall in love with this beautiful farm house style home plan. The large front porch, gabled dormers and hip roof all compliment each other perfectly. The open floor plan design allows the Great Room, Dining Room and Kitchen to open to each other allowing conversation and time with family to flow uninterrupted. A screened porch located off the Dining Room is a perfect place to spend a summer evening enjoying the cool breeze without those pesky mosquitoes. The huge 4 car Garage also gives you space for a workshop and a Mudroom leads inside so you can keep the dirt and mud out of the rest of your home. The Laundry Room is conveniently located off the Mudroom with private access to the large Master Suite. This Master Suite is complete with a spacious bathroom and walk-in closet. Down the hall is a Full Bath, the stair leading to the upper floor and Bedroom 2. Upstairs you'll find a Bonus Room/ Home Theater, a Full Bath and Bedrooms 3.
