Description

NDG 1190

A stunning addition to our Riverbend House Collection, Canoe Point II uniquely sits atop gorgeous stone columns to protect this perfect vacation home from potential flooding. Two sets of stairs lead you onto an 8-foot wrap-around porch, welcoming you into a large Great Room with fireplace to the left and, to the right, a spacious Kitchen and Dining space, where a bar top with seating for 4 allows for quality family time. Down the hall are Bedrooms 1 and 2, as well as a shared hall bath. A stacked washer/dryer maximizes space, and a rear Grilling Porch, complete with a cleaning table and sink may give you a great place to eat and cook with a view. Upstairs, you will find a spacious Loft with a railing overlooking the Great Room below, optimal attic storage, and two optional bedrooms and hall bath. How would you customize this amazing house plan? *For Slab, BSMT,

and WOB options for this design, see plan NDG418

Customizing This House Plan

Make this house plan into your dream home!

We understand that when it comes to building a home you want it to be perfect for you. Our team of experience house plan specialists would love to be able to help you through the process of modifying this, or any of the other house plans found on our website, to better fit your needs.

Whether you know the exact changes you need made or just have some ideas that would like to discuss with our team send us an email at: info@nelsondesigngroup.com or give us a call at 870-931-5777 What to know a little more about the process of customizing one of our house plans?

Check out our [Modifications FAQ](#) page.
