Description

MEN 5277

From award-winning designer Michael E. Nelson comes a stunning addition to our Traditional House Collection. Crafted elegance radiates throughout Annabelle Manor, beginning with an off-white brick exterior and arched entry porch for curb appeal that exudes both simplicity and charm. Through a traditional foyer, enter a tasteful sitting area, perfect for enjoying a cup of coffee and a great book in your favorite chair. Continue into the great room to find an elegant boxed ceiling above a large space, perfect for entertaining. Overlooking the great room, you'll enjoy the kitchen featuring a center island and plenty of cabinet space. Partnered with the kitchen, the dining/hearth room will make for great family time around the fire, within a bright bay window nook viewing the cozy grilling porch outside. The Master Suite also features a beautiful boxed ceiling and large

master bath, complete with luxuries of a whirlpool tub, walk-in shower, and a spacious walk-in closet. Bedrooms 2 and 3 share a bathroom located in the hall between them, just outside the great room. A 2-car garage also allows for extra storage space. How would you customize this amazing house plan?
