Description

MEN 5307

From award-winning designer Michael E. Nelson comes a stunning addition to our Craftsman Bungalow House Collection. Montrose uses various siding to create the perfect craftsman curb appeal, and a vaulted entry housing an arched front door makes for a breathtaking place to greet guests. A high ceiling decorated with faux beams makes for a stunning great room, and an open kitchen featuring a large eat-at bar will make hosting easy. The master suite of Montrose, located on the left side, enjoys a luxury master bath, complete with a free-standing tub, double vanities, a glass walk-in shower, and access to a spacious walk-in closet. The opposite side holds three additional bedrooms, and bedrooms 3 and 4 enjoy private bathrooms. An outdoor kitchen and fireplace on a stunning grilling porch further adds to this home's luxury, and a 2-car garage is sure

to satisfy your storage needs. How would you customize this amazing house plan?
