Description

MEN 5313

From award winning home designer Michael E. Nelson comes Heartland Farms, a one of a kind Farmhouse Plan that offers tons of living space, perfect for multigenerational living. This beautiful house plan features a wrap around porch, a covered porch for the additional living space, and a striking black and white exterior color scheme to complete the amazing curb appeal. A total of 6 bedrooms and 6.5 bathrooms makes up a spacious 4696 sq.ft., offering tons of room for your growing family.

Open Floor Design

Passing the wrap around front porch, you can make your way in through the front door to find a

spacious great room offering tons of natural light, a boxed ceiling, and a fireplace to make the home cozy. The open floor plan concept of Heartland Farms leads directly into the kitchen, featuring an open dining room, along with a large eat at kitchen island. Tons of cabinet space and a walk-in pantry offer tons of storage for your kitchen essentials. A sunroom connects the kitchen to the rest of the living space offered in Heartland Farms. Two different staircases can be found leading up to two optional bonus rooms/game rooms.

Main Level Master Suite

Several Master Suites make up the structure of Heartland Farms. Perfect for multiple families and generations under one roof, Heartland Farms offers 4 different master suites fully equipped with walk-in closets and private bathrooms, all featuring walk-in showers. A second kitchen/living space is also offered for half of Heartland Farms to share, effectively accommodating multiple families under one roof. A large family room offers tons of open space for families to come together.
