Description

MEN 5317

From award-winning designer Michael E. Nelson comes the newest addition to our Riverbend House Collection. Timber Trail Retreat is the vacation home you've been looking for. A classic front porch pairs well with stone accents, creating tons of curb appeal, and a stunning great room open to above shares a space with the kitchen. An eat-at counter makes entertaining easy, and a cozy dining area allows for casual meals. The master bedroom features a walk-in closet and the perfect master bath, complete with a walk-in shower, dual vanities, and a private toilet room. The upper level of Timber Trail Retreat holds a large sleeping loft overlooking the great room below, and bedrooms 2 and 3 share a full bathroom down the hall. A 4-car garage occupies the walkout basement and features an additional bathroom and a sink, with floor drains throughout the space.
