Description

MEN 5104

From award-winning designer Michael E. Nelson comes the newest addition to our European House Collection. Norwich Manor is a luxury open floor plan perfect for the whole family. A white exterior paired with arched windows offers all the curb appeal you could ask for. A breathtaking grand hall reveals the massive great room and a formal dining room, which adjoins to a butler's pantry, perfect for hosting large gatherings. Enjoy a luxury kitchen with a center island and walk-in pantry, open to both the great room and breakfast nook, as well as an outdoor living space, complete with a covered porch and an outdoor grill. Norwich Manor brags of two master suites. Master suite 1 gives you the ultimate master bath, with access to his and her closets, a walk-in shower, a free-standing tub, and two separate vanities, one transitioning into an L-shaped counter.

Master suite 2, located opposite from master suite 1, features a TV area, a walk-in closet, a tub, and a walk-in shower. Bedrooms 3 and 4 also enjoy walk-in closets. Bedroom 4 adjoins to a full bathroom, while bedroom 3 employs a bathroom across the hall. How would you customize this amazing house plan?
