Description

MEN 5370

From award-winning designer Michael E. Nelson comes the newest addition to our Country Home House Collection. Birchwood Cabin is the perfect home to get away to, its wood exterior and open rafter porch offering curb appeal with all the charm. Inside you will find a cozy den, where you may choose to add a stone fireplace, and an open kitchen and dining area. Bedroom 1 pairs function with luxury, as the closet shares a space with dual vanities, and a private toilet room, free-standing tub, and walk-in shower adjoin to this space. This level also holds the laundry room and a half bath, while the upper level holds bedrooms 2 and 3, which share a bathroom in the hall. The basement consists of a massive bonus room, as well as a cozy porch, which sits below the main

level grilling deck. How would you customize this amazing house plan?

Customizing This House Plan

Make this house plan into your dream home!

We understand that when it comes to building a home you want it to be perfect for you. Our team of experience house plan specialists would love to be able to help you through the process of modifying this, or any of the other house plans found on our website, to better fit your needs.

Whether you know the exact changes you need made or just have some ideas that would like to discuss with our team send us an email at: info@nelsondesigngroup.com or give us a call at 870-931-5777 What to know a little more about the process of customizing one of our house plans?

Check out our [Modifications FAQ](#) page.
