Description

NDG B1063

A stunning addition to our Barna Log House Collection, The Cabot gives you a cozy, warm feeling at its log home exterior with accents of arched windows and a stone chimney. Entering through the charming front porch, you will find yourself in a brief entry foyer with a staircase to the upper level ahead, the formal Dining Room to the left, and the Great Room to the right. Stepping into the spacious Great Room, you will once again experience that cozy, warm feeling, as it is the perfect place to gather with family around the crackling fire. Tradition will never be forgotten here! A half bath is conveniently located across the hall, as well as the spacious Laundry Room also serving as a mudroom entry to the 2-car garage. Leading to the left, you will find a curved island in the Breakfast Room, perfect for enjoying your morning coffee or just chatting with friends and family.

The Breakfast Room continues into the Kitchen, where a similar island lies in the very center beside three windows providing a great view of the backyard.

On the far left side of The Cabot, your Master Suite awaits! Enjoy a huge master bedroom with a bank of front-facing windows letting in tons of natural light. A 6x6 post is a great addition to this space, and a large walk-in closet is sure to hold all your favorite wardrobe pieces. The Master Bath features a dual sink vanity, a large soaking tub and separate shower, and a private toilet room. Heading upstairs, you will find yourself in an expansive Loft, perfect for the kids! Bedrooms 2 and 3 are also found here, each enjoying plenty of space and sizeable step-in closets. The hall bath is located between them and holds a dual vanity and plenty of space for the kids to ready themselves in the mornings without those pesky sibling fights. How would you customize this amazing house plan?

NOTE: Barna plans are intended for log exterior walls. Converting these to 2X6 exterior walls requires modification and will be subject to additional modification cost. Contact one of our home plan specialists today to discuss modification requirements by emailing
