Description

MEN 5414

From award-winning designer Michael E. Nelson comes the newest addition to our Rustic House Collection. Forrest Creek Retreat welcomes you and your guests onto a stunning wrap-around porch framed by wood columns and stocky stone bases. These elements pair with lap and shake siding to give you that rustic exterior and welcoming curb appeal. Upon entering the home, you will find yourself in a large Great Room, where a line of windows and fireplace give a warm, airy feel to the space. Moving toward the rear of the home, you will follow the open floor plan into the Kitchen/Dining spaces, flowing seamlessly into the Great Room. The Kitchen accesses the attached 2-car garage and is surrounded by tons of counterspace, with an eat-at island in the center. On the left side of Forrest Creek Retreat, you will find Bedroom 2, with lots of space and a

sizeable walk-in closet. Down the hall is a full bath, as well as the luxury Master Suite. Inside the master bedroom, you will be in awe at the sloped and vaulted ceiling, accentuated by a stunning faux beam. Ahead you can privately access the Laundry Room, which also serves as an entry to the garage. The spacious walk-in closet gives you and your partner plenty of wardrobe space, and adjacent is the Master Bath, complete with a dual sink vanity and large corner shower with a seat. Taking the stairs to the upper level, you will find yourself in a large Bonus Room easily used as a Home Theater, an optional third bedroom with a cozy window seat, and an additional full bath. How would you customize this amazing home plan?
