Description

NDG 1700

The newest member of our Farmhouse Collection is the perfect family home! The front of the house greets you with round columns and a unique arched entryway. This plan is full of beautiful high ceilings and large windows. As you enter the home you will pass the formal dining room and the study as you enter the great room. The great room has an open floor plan featuring high vaulted ceilings, a fireplace, and the perfect view and exit to your covered grilling deck. One side of the house features Bedroom 2 and 3 which share a full bathroom in between. To complete the split bedroom design you will find on the left side of the house a grandeur master suite. This deluxe master suite features a sitting area, a vaulted ceiling, a walk-in closet, a freestanding tub, and more! Next to the Master Suite closet, you will find the laundry room and an extra storage room. An upstairs gives the option for a fourth bedroom and a full third bath. This house plan also

features a Covered Front Porch, a 2 Bay Garage, optional basements stairs, a breakfast room, a kitchen island, and more!

Customizing This House Plan

Make this house plan into your dream home!

We understand that when it comes to building a home you want it to be perfect for you. Our team of experience house plan specialists would love to be able to help you through the process of modifying this, or any of the other house plans found on our website, to better fit your needs.

Whether you know the exact changes you need made or just have some ideas that would like to discuss with our team send us an email at: info@nelsondesigngroup.com or give us a call at 870-931-5777 What to know a little more about the process of customizing one of our house plans?

Check out our [Modifications FAQ](#) page.
