Description

Step into MEN 5441 Croft Retreat and find the Farmhouse of your dreams! This Luxury Farmhouse is a total of 9, 378 sq. ft. and full of growing rooms, entertainment spaces, and more!

Outdoors

Upon arrival at this home, you'll discover the beauty and contrast this home has to offer. This house plan includes a large, front, covered porch, board and batten siding, craftsman-inspired exterior details, and stone accents. The rear of this home includes a large outdoor living space with high vaulted cathedral ceilings, a fireplace, and 2 covered porches with space for outdoor relaxation and games.

Main Floor

On the Main Floor of this farmhouse, you'll find the layout flows effortlessly. You'll find a 3-car angled garage on the leftmost side of this home complete with a breezeway to a side entrance of MEN 5441. The front entrance of this home has a foyer open to the second floor for amazing views of the upper or main floor.

Counting through the front of the home you'll find the office closed with barn doors, a laundry room with a half bath, a large laundry room complete with a "her desk area", and an exercise room.

Great Room/Kitchen

The heart of the home is a lavish space. The entry is adorned with two large stone planters and wet bar. Enjoy the sunken floor that separates and makes the great rooms shine! This room also includes a fireplace to make the room even more cozy. This room includes sliding bi-fold doors that allow access to the rear outdoor living space and covered rear porches.

Venture to the left of the home and find the open floor plan Kitchen two steps up from the great room. This room includes a gas range, a large island with a sink, and space for eating. You'll also enjoy the ample storage space in the large pantry with two barn doors for easy access to your ingredients while cooking.

This space is also open to the hearth/breakfast area. This space is perfect for eating dinner in a lovely setting next to the large stone fireplace.

Master Bedroom

The master bedroom is separated from the rest of the rooms for the ultimate private experience for any couple. The master suite includes a spacious bathroom with a freestanding tub, two sinks, and a shower with two seats and a rain shower head. The closet is roomy with a cabinet island, bench, and a featured safe room to keep your family safe when you need it most.

Upper Floor

The upper floor is a delectable and exciting space for guests, family, friends, or your children. This floor features a grand balcony open to the great room. This space also includes 3 bedrooms, 1

bath, and 2 half baths.

Entertainment

There's no need to leave home when you make MEN 5441 your retreat. This home features a home theater with a raised floor and a wet bar for a perfect experience. You'll also enjoy the hobby room as a bonus room for any activity you wish!

Customizing This House Plan

Make this house plan into your dream home!

We understand that when it comes to building a home you want it to be perfect for you.
