Description

SMN 2017 Union Heights

The newest home added to the Seth Micheal Nelson collection is a beautiful contemporary modern house plan, SMN 2017 Union Heights. On the exterior, this home offers a beautiful view of elongated windows and mixed brick siding. Step inside this modern home and you'll find the house plan of your dreams!

First Floor

Pull into the rear garage and walk into the (optional) fenced-in yard on the left side of the home. Find the entrance on the covered porch. At first glance, this home offers an open floor plan with faux beams that add character to the home. You'll find a great room with a linear electric fireplace

to warm up this modern first floor. This floor also features a public restroom, a kitchen with an island, and a wet bar.

Second Floor

Journey up to the second floor to find separate sleeping quarters! The cozy master bedroom, bedroom 2, and bedroom 3 can be found on this floor. The master suite features a walk-in closet and a master bath. The master bath includes 2 sinks on either side of the room for plenty of space for any couple to get ready. This bathroom also features a tub and a tile shower.

Step out of the master suite onto the large balcony to get a beautiful view of your front yard.

On the second floor of this home, you'll also find bedrooms 2 and 3 with their private full baths featuring tile showers. You'll also love the close-by washer and dryer space for convenience and storage.

Third Floor

Upstairs onto the third floor, you'll find an office with a view of peace and tranquility. Work in a private office with a bathroom and storage closet and enjoy the view of your family taking advantage of the large outdoor living space. This room features an open rooftop deck for gazing at the stars while staying warm by the firepit. Also, enjoy the covered outdoor living space for a comfy place to sit and enjoy your loved ones' company.

This home includes plenty of space for relaxation and spending time with friends or family while offering a modern and clean look. How would you customize this home?
