Description

The newest Farmhouse House Plan 5447 Summer Set Place is a beautiful and functional open floor plan family home. This home features a gorgeous front entry porch that leads into a foyer with soaring 10 ft ceilings. Step into the open floor layout great room and kitchen. You'll find yourself spending time with family and enjoying a great meal on the island or watching TV in front of the gorgeous fireplace.

Venture to the dining room and enjoy a family meal or step out onto the grilling porch and enjoy your time outside. This area also includes a walk-in pantry with plenty of space for storing your ingredients for meals. Sep back towards the front of the house you'll find a spacious angled hallway to includes a doorway to the laundry room with a sink and a doorway to the large master suite closet. In the luxurious master suite, you'll find a vaulted ceiling, a linen closet, double sinks, and a private toilet room. and a freestanding tub.

Due to the split-bedroom nature of this home, you'll find bedrooms 2 and 3 on the opposite side of the home with a shared bathroom in the middle. These bedrooms include ample space for children to grow or your guests to stay. Another beautiful feature of this home includes a private office with a closet for storage.

Venture upstairs to find attic storage and a large bonus room that is the perfect product of your imagination now or later! How will you make MEN 5447 your own?

Customizing This House Plan

Make this house plan into your dream home!
