Description

NDG B1058

A stunning addition to our Barna Log House Collection, The Meadow Creek gives off that cozy cabin feel with a classic front porch framed by light wood columns and charming gable dormers. Inside, you will immediately find yourself in the expansive Living Room, complete with a stone fireplace and a wall of windows adding warmth to your gathering space. At the rear is the cozy Kitchen, enclosed by a plethora of counterspace and naturally lit by a sink window overlooking the spacious Deck. Here, you will also find entry to the Mudroom, which also doubles as a half bath and Laundry Room! The Mudroom boasts two linen closets and accesses the 2-car garage to the right. The Living Room also opens to the Dining Room, which enjoys a view and access to the rear

Deck.

Moving to the left of The Meadow Creek, you will pass by an additional half bath on your way to relax in your Master Suite. The huge master bedroom is surrounded by front- and side-facing windows for the perfect amount of natural light, and the spacious walk-in closet is the perfect addition to the Master Bath, complete with a sizeable linen closet and dual vanities. Upstairs is the perfect space for the kids, including a huge Loft that would be perfect for a TV space or playroom. Bedroom 2 is slightly larger than Bedroom 3, and both enjoy decently sized closets and access to the hall bath in between. There is also a Balcony open to the Living Room below, making those calls for dinner a little easier. How would you customize this amazing house plan?
