Description

NDG B1055

A stunning addition to our Barna Log House Collection, The Hemingway first welcomes you with warm logs and a stone skirt creating the perfect cozy cabin feel. Inside, you will find a functional open floor plan with the Living Room sharing one space with the Kitchen/Dining area. The expansiveness of this space is accentuated by the open ceiling above the Living Room, opening it to the Loft above. Outside, the rear Grilling Porch allows for barbecues with visiting family and friends while allowing you to soak in the summer sun. A hall bath is located just outside Bedroom 1, which you will find to the left of The Hemingway. Bedroom 1 features a cozy alcove, perfect for curling up with a book, and a spacious walk-in closet. The upper level houses the perfect private space for your children or guests to enjoy. A large Loft overlooks the Living Room below, and

Bedroom 2 is found to the left, with tons of space to go around. How would you customize this amazing house plan?

****See NDG837 for stick framed version of this log home plan****

NOTE: Barna plans are intended for log exterior walls. Converting these to 2X6 exterior walls requires modification and will be subject to additional modification cost. Contact one of our home plan specialists today to discuss modification requirements by emailing

info@nelsondesigngroup.com or calling 870-931-5777
