Description

NDG B1046

A stunning addition to our Barna Log House Collection, The Grandview showcases a breathtaking front porch with picture frame windows for added curb appeal. Side entry from the covered deck leads you inside to the Foyer, which expands into the open floor plan. Open to the upstairs Loft, the Living Room adds warmth to the gathering space, and just ahead, the Kitchen offers plenty of counterspace to prep meals, including a center L-shaped island. To the left, the Dining Room is also part of the open floor plan and even accesses the rear Covered Deck. Adjacent is a convenient half bath with a linen closet, and just down the hall is the Master Suite of The Grandview. The spacious master bedroom looks out onto the covered deck from which you entered, and to the left, a private deck is perfect for quiet evenings spent with your partner. The

Master Bath is complete with a corner whirlpool tub and separate shower, and your walk-in closet offers all the wardrobe space you'll need. Take a trip upstairs to enjoy the spacious Loft, which opens onto a cozy Deck overlooking the rear of the property. To the left is Bedroom 2 and a spacious full bath. Bedroom 2 enjoys plenty of storage space, including two attic closets and two additional step-in closets. From here, you can also access a private deck, and the dormer in the bedroom provides plenty of natural lighting. How would you customize this amazing house plan?

NOTE: Barna plans are intended for log exterior walls. Converting these to 2X6 exterior walls requires modification and will be subject to additional modification cost.
