Description

NDG B1043

A stunning addition to our Barna Log House Collection, The Olympiad II first welcomes you onto a wrap-around Deck with stone steps and a gorgeous vaulted ceiling with log accents. Inside, you will find yourself in a spacious open floor plan, where the Great Room serves as a lovely focal point and front- and side-facing windows provide plenty of natural light. A 6x6 post, along with the loft line separate this space from the Kitchen/Dining, where you will enjoy plenty of counterspace and access to the cozy Grilling Porch outside. On the left side of The Olympiad II, your Master Suite awaits! The spacious master bedroom has a modest step-in closet and a nice view of the front Deck, while the Master Bath boasts a clawfoot tub and your own washer and dryer! Upstairs, you will find a Loft space, perfect for the kids, that adjoins to a full bath, also with a washer and

dryer. While both bedrooms enjoy ample closet space and a cozy dormer, Bedroom 3 is larger in size, suitable for an older child, or as a shared room. How would you customize this amazing house plan?

NOTE: Barna plans are intended for log exterior walls. Converting these to 2X6 exterior walls requires modification and will be subject to additional modification cost.
