Description

NDG B1040

A stunning addition to our Barna Log House Collection, The Coronado welcomes you inside with a classic front porch led up to from charming stone steps. You will immediately find yourself in the large Living Room, which is open to the Kitchen, Dining, and Breakfast Room, and the stone fireplace is sure to encourage family gathering throughout the seasons. The Kitchen, Dining, and Breakfast Room all share one space, separated from each other by a center eat-at island within the Kitchen. You can also access the Grilling Porch from here, allowing for easy, mess-free comings and goings of the grill master. The Breakfast Room also leads onto a Porch on the opposite side. Hate the bugs? Make it a Screened Porch! Within this space are also the Laundry Room and a half bath, and to the right of the Living Room, you will find the Master Suite of The

Coronado. You will love the amount of space your master bedroom offers, as well as the walk-in closet and private Master Bath! Upstairs is its own space, with a huge Loft open to below that would be perfect for a playroom/game room or a space for the kids' bunk beds! Bedroom 2 is also found upstairs and is spacious enough for multiple beds. An attic space closet is large enough to hold all the kids' clothes, and just outside are a linen closet and full hall bath. How would you customize this amazing house plan?

NOTE: Barna plans are intended for log exterior walls. Converting these to 2X6 exterior walls requires modification and will be subject to additional modification cost. Contact one of our home plan specialists today to discuss modification requirements by emailing info@nelsondesigngroup.com or calling 870-931-5777
