Description

NDG B1022

A stunning addition to our Barna Log House Collection, Autumn Bell welcomes you onto a charming front porch below a gable that is pleasant to the eye. Step inside to the Foyer, where you can either access the Great Room to the right, or the Family Room to the left. The Great Room features a cozy stone fireplace, perfect for gathering around, while the Family Room opens to the Kitchen, complete with tons of countertop space and a modest step-in pantry. From here, you can also view the Dining Room, which accesses the rear deck, as well as the half bath and spacious Laundry Room with built-in storage cabinets. The Laundry Room also serves as a mudroom entry from the 2-car garage, ensuring unwanted dirt is limited to one space in the house. The left wing of Autumn Bell houses your Master Suite, with plenty of natural light from surrounding windows and a

large walk-in closet. At the end of the day, relax all your stress away in your whirlpool tub in the Master Bath, which also has a separate shower and dual sink vanity! Head upstairs to check on all the kids, where you'll find 4 additional bedrooms, each with walk-in closets, and two full baths in between Bedrooms 2 and 4. How would you customize this amazing house plan?

NOTE: Barna plans are intended for log exterior walls. Converting these to 2X6 exterior walls requires modification and will be subject to additional modification cost. Contact one of our home plan specialists today to discuss modification requirements by emailing
