## Description

# NDG B1029

A stunning addition to our Barna Log House Collection, The Shadow Ridge showcases a classic front porch that wraps around into a side deck and features a gorgeous stone chimney. Stepping inside, you are first met with the cozy fireplace within the expansive open floor plan, incorporating the Great Room, Kitchen, and Dining spaces into one. An eat-at island separates the Kitchen from the Dining space and provides an additional gathering spot, while the Dining and Great Room provide access to the Deck so you can soak in the sunlight with great company. To the left, you will enter a hallway housing a full bath, laundry area, and Bedrooms 2 and 3. Although Bedroom 2 is more spacious in size, Bedroom 3 has a little more closet space. Head to the upper level of The

Shadow Ridge to your Master Suite! With plenty of space for you and your partner to share, you will love all that it has to offer! The walk-in closet is sure to hold all your wardrobe essentials, and additional attic space is there for any extra storage needed. Don't forget to take advantage of your private Master Bath on stressful mornings and relaxing evenings! How would you customize this amazing house plan?

NOTE: Barna plans are intended for log exterior walls. Converting these to 2X6 exterior walls requires modification and will be subject to additional modification cost.
