Description

NDG B1021

A stunning addition to our Barna Log House Collection, The Windmore has a unique layout, with an angled 3-car garage offering privacy to the right side of the home. Entering from a gabled front porch, you will find yourself in a spacious Foyer leading way to the open floor plan ahead. The huge Great Room features a cozy fireplace flanked by sliding glass doors that access the rear deck and flows seamlessly with the Kitchen. With two prep islands and tons of counterspace, this Kitchen is sure to make all your cooking dreams come true! Adjoining the Kitchen is a Mudroom with plenty of space to store shoes, coats, and backpacks. The space also accesses the gabled breezeway to the huge garage. Back inside, retire to your private Master Suite on the right side of The Windmore. With plenty of natural lighting, your mornings are sure to be peaceful, and a large

walk-in closet provides plenty of wardrobe space. Relax the day away in your Master Bath, complete with a whirlpool tub and separate shower, as well as a dual sink vanity. On the opposite side of the home is Bedroom 2 with an en-suite bathroom and two spacious closets. This bathroom is also accessible from the hall, which houses the Laundry Room of your dreams! Designated space for a soaking sink and “loads” of counterspace for folding, chore day is made easy. The Loft upstairs will be the kids’ favorite place to be, with plenty of closet space for games and toys, and a railing overlooking the Great Room below will make it so easy to call them down for dinner. How would you customize this amazing house plan?

NOTE: Barna plans are intended for log exterior walls. Converting these to 2X6 exterior walls requires modification and will be subject to additional modification cost. Contact one of our home plan specialists today to discuss modification requirements by emailing
