Description

NDG B1005

A stunning addition to our Barna Log House Collection, The Briarwood greets you with that cozy cabin feel. Stepping inside from the front Covered Porch, you will find yourself in a brief Foyer with the large Great Room just ahead. Here, you can enjoy pleasant evenings by the stone fireplace or gather with family on the Grilling Porch outside. Moving back toward the front of the home, you will find your spacious Kitchen, with tons of countertop space, a modest pantry, and a partially open Dining Room. Adjoining the Kitchen is the Laundry Room, which features a large step-in closet and serves as a mudroom entry from the 2-car garage. The left side of The Briarwood houses your Master Suite, complete with a linen closet, walk-in closet, and private Master Bath. On the opposite side are the rest of the bedrooms, creating a peaceful split bedroom design. Bedroom 2

has a little more closet space than Bedroom 3, and a hall bath is located in between. How would you customize this amazing house plan?

NOTE: Barna plans are intended for log exterior walls. Converting these to 2X6 exterior walls requires modification and will be subject to additional modification cost.
