Description

NDG 580

A stunning addition to our Traditional House Collection, Spruce Street is the perfect home for your growing family. With excellent curb appeal drawing you and your guests in, this home has an interior that does not disappoint. A brief Foyer leads way to Bedroom 2, which can easily be used as a home Study, if desired. Continuing down the hall, you will find yourself in the open floor plan. Here, the large Great Room with a vaulted ceiling is easily viewed by the cook while prepping for or cleaning up after a meal at the angled bar top in the Kitchen. Farther down toward the rear of the home is the Breakfast/Hearth Room, which enjoys views of the property from three sides, perfect for enjoying your morning coffee. An optional gas fireplace adds to the charm of the home, as well as comfort to your mornings. Toward the front of the home, the Laundry Room is found

adjacent to the garage entry, keeping any unwanted messes from going too far inside upon entry. On the right side of Eastern Falls are the rest of the bedrooms. Bedroom 3 lies adjacent to Bedroom 2, as well as the shared hall bath. Just outside the Great Room is your private Master Suite, which lies below an optional vaulted ceiling and features access to the charming Grilling Porch. Stepping into your Master Bath, you will enjoy luxuries of a dual sink vanity, corner whirlpool tub with a ledge, separate shower, and a large walk-in closet. How would you customize this amazing house plan?

Customizing This House Plan

Make this house plan into your dream home!

We understand that when it comes to building a home you want it to be perfect for you. Our team of experienced house plan specialists would love to be able to help you through the process of modifying this, or any of the other house plans found on our website, to better fit your needs. Whether you know the exact changes you need made or just have some ideas that would like to discuss with our team send us an email at: info@nelsondesigngroup.com or give us a call at 870-931-5777 What to know a little more about the process of customizing one of our house plans? Check out our [Modifications FAQ](#) page.
