Description

This 2 story Heritage Collection home is full of charm inside and out. Brick and siding grace the exterior with copper shed roofing detail and a large covered porch. The foyer opens to the great room featuring columns, a fireplace, media center, and French doors leading out to the grilling porch. The master suite is accessible to the grilling porch as well. The master bathroom has a whirlpool tub under a window for added relaxation and a glass shower. And the large walk-in closet will have plenty of natural light with 2 windows. The kitchen features an island bar and is open to the hearth room/breakfast room with a fireplace. Upstairs are 2 theater balconies, one overlooking the great room, the other overlooking the foyer. 3 more bedrooms, a full bathroom and a computer center are also upstairs, as well as large bonus room, perfect for games, home theater or even both.
