Description

Classic symmetrical design is a key feature of this traditional home. Room dimensions on the main floor are enhanced with nine foot ceilings throughout. The home is filled with amenities such as a media center in the great room and a kid's nook next to the laundry room. The generously sized master suite includes it's own private bath with separate shower and whirlpool bath, twin vanity and a large walk-in closet. The upper floor includes two big bedrooms, a computer center and bath. The proposed bonus area leaves space for a future media room or game room.
