Description

This elegant two-story home by Nelson Design Group combines traditional design with a splash of contemporary flair. The main level consists of a Formal Dining room with butler's pantry, a gourmet kitchen that opens to both a hearth room and breakfast room for enjoyable family gatherings. The elegant Master bedroom has a ten-foot boxed ceiling and private bathroom high ceiling and full of amenities. The upper level has a balcony bridge viewing both the foyer and living rooms and leads to off-season attic storage. The three additional upstairs bedrooms have walk-in closets, window seating and private bathroom access keeping the family content. The lower level with guestroom, a full bathroom and game room completes this exceptional design.
