Description

Charming gables and shutters give this split bedroom Nelson Design Group home excellent curb appeal. Everyone will love the openness of this design from the foyer where columns divide the dining and great rooms. Enjoy the view as you pass the bay window in the breakfast room on your way to the master suite. The master bedroom is accented by a boxed ceiling and corner fireplace while the master bath includes a walk-in closet, corner whirlpool tub, and split vanities. Three secondary bedrooms and an additional full bath occupy the opposite side of this home. An upper bonus room is also included above the garage in this lovely design.
