Description

Once you walk through the foyer of this split plan home, you'll be welcomed by the Great Room and its massive 12' ceiling. It's open to the kitchen that features an eat-at island bar. The Master Suite boasts plenty of room and a large walk-in closet with a very convenient sliding door to the laundry room. On the other side of the house are bedrooms 2 and 3 and a full bath and an office that could double as a 4th bedroom. There is also a Grilling Porch in the back with access from the great room. The double car garage is at a 45 degree angle and allows for more storage space.
