Description

Substantial windows with half-round transoms flank a arched entry to this symmetrical plan. Dividing the formal living and dining areas are exquisite columns and an extended foyer with a shared 12' ceiling. Through the oversized archway, a splendid, grandiose fireplace is centered between built-in media center and bookshelves. Where better to enjoy the splendid days of fall than the significant sun room adjacent to the great room. The second fireplace in the breakfast/hearth room will remove the chill while reading the morning paper.
