### Description

An open feeling is created in this home by use of high ceilings in several rooms. Preparing meals for your family is easy with your spacious kitchen, complete with center island. You may also entertain on your rear covered porch with French door access from the breakfast room as well as your master suite. Get lost in your expansive master bath, which includes double vanities, whirlpool tub, and 'his and her walk-in closets. You'll feel the extra two bedrooms in this design just right for children, a home office or weekend guests.
