Description

Round columns on a lovely covered porch enhance this old-fashioned plan. An expansive great room with fireplace and staircase separate the family quarters from a glorious Master Suite. A family oriented kitchen is centrally located and has a dining area, laundry room and grilling porch. The large master suite has a private bath with his and her walk-in closets separated by a whirlpool tub, separate shower and private toilet area. A full bath, two additional bedrooms both with dormer windows and built-in study desks are on the second level allowing family their own space.
