Description

Pure luxury and elegance describe this exceptional home. The formal dining room and kitchen are separated by a butler's pantry adding a buffer for a busy kitchen during meal preparation. This wonderful kitchen has bar counter seating and a large walk-in pantry. On the opposite side of this remarkable home is the Master Suite complete with an adjoining study or nursery if desired. The private master bathroom is full of amenities including his and her walk-in closets. The upstairs has three additional bedrooms a shared bath and a library wall near the computer room.
