Description

NDG 1428

A stunning addition to our Rustic House Collection, Timberland Cove blends brick, stone, shake siding, and timber columns for a striking exterior. Inside, the foyer leads you to the Great Room with a stunning vaulted ceiling and fireplace. The French Doors of the Great Room flow into the Outdoor Living/Grilling Porch, featuring a vaulted ceiling and cozy fireplace of its own, along with an outdoor grill. In the kitchen, your guests will surely enjoy the curved eat-at island bar, making entertaining in this home a breeze. Tons of counterspace, a walk-in pantry, and a wet bar all make this kitchen perfect for hosting large gatherings. Down the hall to the right of Timberland Cove are entries to the Master Suite, a half bath, and the laundry room. Entering the Master Suite, you will find an optional door to the rear porch and a huge walk-in closet. The master bath features double

vanities, a corner whirlpool tub, and a corner glass shower with seats to ensure relaxation. On the other side of the house, you'll find bedrooms 2, 3, and 4, each with a walk-in closet. The shared bathroom will cut down on pesky sibling fights, with a dual sink vanity and private toilet room. Upstairs there is a huge bonus room that would be perfect for another bedroom, a full bathroom, and a large walk-in closet. An arched opening balcony overlooking the Great Room and Kitchen below is also an option! How would you customize this amazing house plan?

Customizing This House Plan

Make this house plan into your dream home!

We understand that when it comes to building a home you want it to be perfect for you. Our team of experience house plan specialists would love to be able to help you through the process of modifying this, or any of the other house plans found on our website, to better fit your needs.

Whether you know the exact changes you need made or just have some ideas that would like to discuss with our team send us an email at: info@nelsondesigngroup.com or give us a call at 870-931-5777 What to know a little more about the process of customizing one of our house plans?

Check out our [Modifications FAQ](#) page.
