### Description

This plan has true southern flair, great street appeal and a cozy welcome to guests.

The main level has a large great room with a fireplace nestled between built-ins and views the kitchen through a cased opening with columns. This spacious kitchen adjoins the dining area and has a wall of windows for plenty of natural light. A kid's nook helps keep clutter at a minimum and leads to the grilling porch. Luxury, privacy and convenience best describe the Master Suite with French doors, a ten-foot boxed ceiling and an impressive private bathroom. Stairs lead to an upper bonus area with varied ceiling heights and a world of options, present or future.
