Description

This absolutely exquisite design by Nelson Design Group has two master suites giving the homeowner a world of options. A large foyer separates the formal dining room from the Study/optional media room, for the music enthusiast. The centrally located great room has a wall of windows giving view to the rear grilling porch or optional sun room. The well-planned kitchen and expansive breakfast room is divided by a breakfast bar with seating. Eleven and twelve-foot ceilings are used throughout creating a grand appearance while boxed ceilings enhance the great room and primary master suite.
