Description

Under-stated elegance comes to mind by way of this Nelson Design Group home plan. A double door entry and interior columns set an exquisite tone for this family-friendly design. The stylish kitchen with large square prep island with seating will gather quite a crowd during entertaining while the nearby great room with an entire wall of built-ins and wall of windows lends a view of the column lined covered porch. Quietly located on the main level and rear of the home, the master suite has a quaint sitting area and bathroom packed with amenities galore. You'll find an abundance of storage throughout this home and built-ins to assist in keeping organized and clutter-free. Upstairs you'll find three spacious bedrooms, each with a private bathroom and a nearby game room/home theater; a much desired and deserved feature for your entire family. Think about it, massive plasma television and surround sound speaker system! Special areas such as these

will give every family member a special place to enjoy.
