Description

This unique two level Nelson Design Group home plan will be the talk of the neighborhood. Notice the glass block wall that divides the space between the foyer and the breakfast room. Columns border the great room with access to the large deck that spans the rear of this home. An office with a convenient computer center and the amenity-filled master suite complete this floor. The lower floor includes a huge centralized home theater/game room, three bedrooms with walk-in closets and built-in desks, and a full bath.
