Description

This grand Nelson Design Group home definitely has something for every family member. Mom will love entertaining around the fireplace in the living room, as well as the quiet atmosphere of the library/media room. Dad will enjoy the huge patio and adjoining covered porch, perfect for showing off his talents with the grill. The study/office will also give dad his own space indoors. The kids should also have plenty of their own space with their own private bedrooms, a hobby room, and a home theater/game room with a built-in kitchen area for snacks. It will be hard to decide on your favorite area of this home!
