Description

Nelson Design Group has created this home plan which includes elegant features such as columns, boxed ceilings and a luxurious master bathroom, keeping your budget in mind. Beauty doesn't have to cost a fortune. Elements such as these columns that line the formal dining room and foyer will give a grand appearance upon entering this lovely home. A massive great room has access to the grilling porch and a vast amount of wall space, lending many options for furniture arrangement. The kitchen is fit for a gourmet and has a large preparation island with seating, a large pantry and a nearby half-bath. The opposite side of the home includes the master suite with luxurious bathroom complete with an oval whirlpool tub and separate shower. The two additional bedrooms both adjoin a large bathroom with separate shower area, helping maintain peace in the family. This plan offers either a two or three car-garage.
