## Description

Interesting angles and a unique blend of exterior materials give this Nelson Design Group home instant appeal. Your guests can mingle near the fireplace in the great room before settling in the elegant dining room for dinner. A front porch and a covered rear porch with a grilling area will be perfect for any outdoor occasions. A gas fireplace and a built-in computer center are just a few of the luxuries you'll find in this kitchen with adjoining hearth and breakfast rooms. With your master suite and three additional bedrooms, you're sure to have enough room for the kids or any relatives that might drop in for the night.
